**Monday mornings were selected to be the most convenient cross-over time for our weekenders and the business people that rely on that weekend commerce.*

On the agenda:

1. Status of Symbiotics' FERC permit,
2. What we've learned and what changes need to be enacted to defend the Bear Lake Valley,
3. The resumption of the Comprehensive Management Plan (CMP) process for Utah Sovereign Lands at Bear Lake
4. Dates and agendas for future State of Bear Lake Forums.
