Re: Preliminary Permit Six Month Report for the North Eden Pumped Storage Hydroelectric Project, FERC Project No. 13249

Dear Ms. Bose;

This letter is submitted in compliance to the Article 4 of the preliminary permit for the above reference project. The following constitutes the first six month progress report.

The NOI/PAD were filed with the FERC on January 22, 2009. A public meeting will be held in Garden City, Utah on June 3, 2009. Study plans are currently being worked on and negotiations have begun regarding water rights.

The following six month period will continue along the TLP licensing process.
