

IDAPA 02 TITLE 06 CHAPTER 10
02.06.10 - RULES GOVERNING INVASIVE SPECIES

000. LEGAL AUTHORITY

This chapter is adopted under the legal authority of Title 22, Chapter 19, Idaho Code, the “Idaho Invasive Species Act of 2008” and Title 22, Chapter 20, Idaho Code, the “Idaho Plant Pest Control Act of 2002.” ()T

001. TITLE AND SCOPE

01. Title. The title of this chapter is IDAPA 02.06.10, “Rules Governing Invasive Species.” ()T

02. Scope. These rules govern the designation of invasive species, and establish procedures for inspection, certification, permitting, compliance verification, decontamination, recordkeeping and enforcement of regulated aquatic invertebrate invasive species. It is anticipated that this rule will be promulgated in phases with the first phase addressing aquatic invertebrate invasive species. Subsequent phases of this rule will establish inspection, certification, permitting, compliance verification, decontamination, recordkeeping and enforcement for all invasive species listed below. These rules are in addition to other existing laws and rules regulating non-native organisms harmful to Idaho agriculture or the environment. These rules do not supersede, replace, or otherwise diminish other existing federal, state or local laws and rules. The official citation of this chapter is IDAPA 02.06.10, et seq. For example, this citation for this section is IDAPA 02.06.10.001. ()T

002. WRITTEN INTERPRETATIONS.

There are no written interpretations of these rules. ()T

003. ADMINISTRATIVE APPEAL

There is no provision for administrative appeal before the Idaho State Department of Agriculture under this chapter. Persons may be entitled to appeal agency actions authorized under these rules pursuant to Title 67, Chapter 52, Idaho Code. ()T

004. INCORPORATION BY REFERENCE.

There are no documents incorporated by reference in this chapter. ()T

005. ADDRESS, OFFICE HOURS, TELEPHONE, AND FAX NUMBERS

01. Physical Address. The central office of the Idaho State Department of Agriculture is located at 2270 Old Penitentiary Road, Boise, Idaho 83712. ()T

02. Office Hours. Office hours are 8 a.m. to 5 p.m., Mountain Time, Monday through Friday, except holidays designated by the State of Idaho. ()T

03. Mailing Address. The mailing address for the central office is Idaho State Department of Agriculture, P.O. Box 790, Boise, Idaho 83701. ()T

04. Telephone Number. The telephone number for the Division of Plant Industries at the central office is (208) 332-8620. ()T

05. Fax Number. The fax number for the Division of Plant Industries at the central office is (208) 334-2283. ()T

006. IDAHO PUBLIC RECORDS ACT.

These rules are public records available for inspection and copying at the Department. ()T

007. – 009. (RESERVED).

010. DEFINITIONS

The following definitions shall apply in the interpretation and enforcement of this rule. ()T

01. Acts. Title 22, Chapter 19, Idaho Code, the “Idaho Invasive Species Act of 2008” and Title 22, Chapter 20, the “Idaho Plant Pest Act of 2002.” ()T

02. Aquatic Invertebrate Invasive Species. Those species listed in Section 800. ()T

03. Control. The abatement, suppression, or containment of an invasive species or pest population. ()T

04. Conveyance. A terrestrial or aquatic vehicle or a vehicle part that may carry or contain an invasive species or plant pest. A conveyance includes a motor vehicle, a vessel, a motorboat, a sailboat, a personal watercraft, a container, a trailer, or any other means or method of transportation. “Conveyance” also includes a live well or a bilge area. ()T

05. Early Detection/Rapid Response. Finding invasive species during the initial stages of colonization and then responding within ten (10) days. ()T

06. Equipment. An article, tool, implement, or device capable of carrying or containing: ()T

a. water; or ()T

b. an invasive species. ()T

07. Invasive Species Act. The Idaho Invasive Species Act of 2008. ()T

08. Plant Pest Act. The Idaho Plant Pest Act of 2002. ()T

09. State. The state of Idaho. ()T

10. Transportation. Any and all modes of personal and commercial conveyance, including but not limited to automobiles, trucks, buses, boats, airplanes, helicopters, and trains. ()T

11. Water Body. Natural or impounded surface water, including a stream, river, spring, lake, reservoir, pond, wetland, tank and fountain. ()T

12. Water Supply System. A system used to treat, convey or distributes water for irrigation, industrial, waste water treatment or culinary use. A water supply system includes a pump, canal, ditch, or pipeline, but does not include a water body as defined in Paragraph 010.11. ()T

011. APPLICABILITY.

These rules apply to the possession, importation, shipping, transportation, eradication and control of invasive species in Idaho. ()T

012. ABBREVIATIONS.

01. AIIS. Aquatic Invertebrate Invasive Species. ()T

02. MOA. Memorandum of Agreement. ()T

013. – 099. (RESERVED).

100. DECLARATION OF EXISTING INVASIVE SPECIES

01. Any person possessing an invasive species listed herein prior to the effective date of this rule shall declare that species to the director on a form provided by the Department prior to December 31, 2009. The declaration form shall be completed accurately and legibly. ()T

02. The Director may require the declarant to remove the invasive species from the state, destroy the species, or may prohibit the propagation or spread of that species. ()T

101. MEMORANDA OF AGREEMENT AND COOPERATIVE AGREEMENTS.

Nothing contained herein shall prevent the director from entering into memoranda of agreement, cooperative agreements or other agreements with other governmental entities related to the regulation of an invasive species. ()T

102. REPORTING REQUIREMENTS.

01. Discovery to be Reported. Any person who discovers an invasive species within the state or who has reason to believe that an invasive species may exist at a specific location shall immediately report the discovery to the Department. ()T

02. Contents of Report. The report shall, to the best of the reporter's ability, contain the following information: ()T

a. location of the invasive species; ()T

b. date of discovery; ()T

c. identification of any conveyance, equipment, water body, or host in or upon which the invasive species may be found. ()T

03. Methods of Reporting. The report shall be made in person or in writing (which shall include electronic mail) as follows: ()T

a. at any Department office or headquarters; ()T

b. to the Department's toll free hotline at 1-877-336-8676; ()T

c. via the Department's website at www.agri.idaho.gov ()T

103. POSSESSION.

01. Prohibition on Possession, Importation, Shipping, and/or Transportation of Invasive Species. No person may possess, import, ship, or transport any invasive species into or through the state of Idaho following the effective date of this rule, unless the possession, importation, shipping, or transportation falls within one of the enumerated exceptions set forth in Section 103.02, and the person possessing, importing, shipping or transporting has obtained a permit under Section 103.03. Prohibited acts include but are not limited to: ()T

a. possessing, importing, exporting, shipping, or transporting an invasive species into or through the state of Idaho; ()T

b. releasing, placing, planting, or causing to be released, an invasive species in a water body, facility, water supply system, field, garden, planted area, ecosystem, or otherwise into the environment within the state of Idaho; ()T

c. transporting a conveyance or equipment into or through the state of Idaho that has been in an infested environment without decontaminating the conveyance or equipment; or ()T

d. transporting, importing or shipping any plant, animal, mode of transportation, conveyance, or object that is infested with an invasive species into or through the state of Idaho without decontaminating the object. ()T

02. Exceptions to Ban on Possession, Importation, Shipping, or Transportation. The director may authorize, by permit, the possession, importation, shipping, and/or transportation of an invasive species into or through the state of Idaho only if the person possessing, importing, shipping or transporting said invasive species has obtained a permit from the Department pursuant to Section 103.03. ()T

03. Permits. Possession of invasive species in the state of Idaho is authorized only if a person obtains one of the following permits. ()T

a. General permit. The director may issue a general possession permit upon receipt of an application on a form provided by the department. Restrictions applicable to the general permit will be evaluated on a case by case basis. Permits and associated restrictions may be based on need for possession of the species, potential for harm to agriculture and environment, safeguards in place to guard against release, the disposal plan proposed by applicant, and any other criteria specific to an individual listed species. ()T

b. Research permit. The director may issue a research permit to any division of federal, state or local government, a college or university, or other research facility, upon receipt of an application on forms provided by the department. In order to obtain a research permit, the person seeking the permit shall prove, to the director's satisfaction, that: ()T

i. Any person capturing, harvesting or otherwise acquiring an invasive species under the permit shall utilize capturing, harvesting or acquisition practices that will ensure that the invasive species is not spread or disseminated. ()T

ii. Any person who comes into contact with an invasive species will decontaminate any equipment as soon as possible after leaving infested waters or the area in which the invasive species was found. ()T

iii. Any invasive species will be rendered nonviable prior to disposal. ()T

c. Permit fee. The permit application must be accompanied by payment of a non-refundable twenty-five dollar (\$25.00) application fee. ()T

d. Exemption from fee. Any person who complies with Section 100 above is exempt from payment of the permit fee. ()T

04. Permit Revocation. Permits issued pursuant to this chapter may be revoked at any time if the director or his designee finds that the permit holder has violated any of provisions of this chapter, the Invasive Species Act, or the Plant Pest Act, or any of the conditions included in the permit. ()T

05. Disposition of Non-Permitted Invasive Species. The director may order non-permitted or illegally imported invasive species to be removed from the state or destroyed. ()T

06. Annual Report. All permit holders shall submit a report no later than January 1 of each calendar year, on forms provided by the Department. ()T

104 – 199. (RESERVED).

200. AQUATIC INVERTEBRATE INVASIVE SPECIES.

01. Statewide EDRR AIIS List. If any of the below listed species (Subsection 100.01) are found to occur in Idaho, they shall be reported to the Department within ten (10) days following positive identification. Positive identification shall be made by the University of Idaho or other qualified authority as approved by the director. Sections 200.02 through 200.05 are applicable to EDRR AIIS. ()T

Aquatic Invertebrate Invasive Species Early Detection Rapid Response List

Common Name	Scientific Name
Quagga Mussel	<i>Dreissenia bugensis</i>
Zebra Mussel	<i>Dreissenia polymorpha</i>

02. Transporting EDRR AIIS Over Public Roads. No person may transport equipment or any conveyance containing EDRR AIIS over public roads within the state of Idaho without first being decontaminated. ()T

a. All equipment and conveyances entering the state of Idaho are presumed to be contaminated until an inspection performed by a Department-approved inspector has been completed and the inspector has certified that the equipment or conveyance is not contaminated. ()T

b. If the inspection undertaken pursuant to Subsection 02.a reveals the equipment or conveyance is contaminated the equipment and conveyance shall not be moved from the inspection site until the Director or his designee provides written or electronic authorization to move the equipment or conveyance to a designated location for decontamination in accordance with Rule 200.05. ()T

03. Contaminated Conveyances in Idaho Waters. A person shall not place any contaminated equipment or conveyance into any water body or water supply system in the state of Idaho. ()T

04. Inspection and Detention Regarding EDRR AIIS. To prevent the introduction or spread of EDRR AIIS, the director or his designee may: ()T

a. Require a motor vehicle transporting a conveyance, equipment or any means of transporting EDRR AIIS to stop for an inspection. ()T

b. Detain or place under hold order a conveyance, equipment or any means of transportation if: ()T

i. the conveyance, equipment or means of transportation is carrying or contains an EDRR AIIS; or ()T

ii. the Department or its designee reasonably believes that the person transporting the conveyance or equipment is in violation of Sections 100 to 103; or ()T

iii. the person transporting the conveyance or equipment refuses to submit to an inspection. ()T

c. Order a person to decontaminate a conveyance or equipment. ()T

05. Length of Detention. The detention or hold order may continue for such time as is reasonably necessary to decontaminate the conveyance or equipment and ensure that an EDRR AIIS is not living on or in the conveyance or equipment. ()T

06. Certification of Decontamination

a. The owner, operator or possessor of a vessel desiring to launch into a water body in the state must: ()T

i. certify that the vessel and any launching device have not been in an infested water; or ()T

ii. certify that the vessel and launching device have been decontaminated. ()T

b. Certification of decontamination is satisfied by: ()T

i. completing self-decontamination since the vessel and launching device were last in an infested water and completing a decontamination certification form which can be obtained from the Department; or ()T

ii. providing a signed and dated certificate by a Department-approved professional decontamination service verifying the vessel and launching device were professionally decontaminated since the vessel and launching device were last in infested water. ()T

c. Both the decontamination certification form and the professional decontamination certificate, where applicable, must be signed and placed in open view in the window of the launching vehicle prior to launching or placing the vessel in a body of water. ()T

d. Falsification of a certification form shall be a violation of these rules. ()T

07. Containment Species. AIIS listed below on the containment list may exist in various populations throughout the state. AIIS containment efforts may be directed to reducing or eliminating new or expanding populations. Known and established populations, as determined by the Invasive Species Coordinator, may be managed by any approved AIIS control methodology, as determined by the Department. ()T

Aquatic Invertebrate Invasive Species Containment List

Common Name	Scientific Name
New Zealand mud snail	<i>Potamopyrgus antipodarum</i>
Red Claw crayfish	<i>Cherax quadricarinatus</i>
Yabby crayfish	<i>Cherax albidus/C. destructor</i>
Marone crayfish	<i>Cherax tenuimanus</i>
Rusty crayfish	<i>Orconectes rusticus</i>
Asian clam	<i>Corbicula fluminea</i>

201. PET INDUSTRY.

01. Prohibition. No person may possess, collect, sell, trade or distribute AIIS, unless that person has obtained a permit in accordance with Section 103. ()T

02. Inspection. The Director or his designee may inspect aquaria, ponds, tanks, and other rearing and holding facilities to verify that they are free of AIIS. ()T

03. New Species. Following the effective date of this rule, no person may introduce or import a species not previously present in Idaho without first receiving a determination from the Department that the species is not on the invasive species list.

202. FIREFIGHTING.

Precautions shall be taken to prevent the introduction and spread of AIIS during firefighting activities. ()T

01. Use of Water for Firefighting.

a. Water from infested water bodies shall not be transported into the state of Idaho for firefighting activities unless the water is first properly decontaminated, in accordance with Section 200.06. ()T

b. Surface water for firefighting purposes must be used within the same drainage where it is collected to prevent the spread of AIIS. ()T

c. Water tenders and engines shall not dump water directly into any water body or allow for runoff to enter a water body. ()T

02. Firefighting Equipment.

a. Equipment such as tanks, pumps, hoses and helicopter buckets must be cleaned and dried or otherwise decontaminated prior to use in other basins or watersheds. ()T

b. Firefighting equipment entering the state of Idaho must be inspected for AIIS prior to being used on any fire in the state. The Department may require decontamination in accordance with Section 200.06. ()T

203. CONSTRUCTION AND ROAD EQUIPMENT

01. Equipment used for construction or road building or maintenance must be free of AIIS. ()T

02. If equipment that is being transported into the state of Idaho has been in contact with a water body or a water supply system within thirty (30) days of entering the state, the equipment must be inspected for AIIS prior to being used in the state. The Department may require decontamination. ()T

204. – 799. (RESERVED).

800. INVASIVE SPECIES – AQUATIC -- INVERTEBRATES

01. Zebra Mussel, *Dreissenia polymorpha* ()T

02. Quagga Mussel *Dreissenia bugensis* ()T

03. New Zealand Mud Snail, *Potamopyrgus antipodarum* ()T

04. Red Claw Crayfish, *Cherax quadricarinatus* ()T

05. Yabby Crayfish, *Cherax albidus/C. destructor* ()T

06. Marone Crayfish, *Cherax tenuimanus* ()T

07. Rusty Crayfish, *Orconectes rusticus* ()T

08. Asian Clam, *Corbicula fluminea* ()T

801. INVASIVE SPECIES -- FISH.

01. Green Sturgeon, *Acipenser medirostris* ()T

02. Walking Catfish, *Clariidae* ()T

03. Bowfin, *Ania Calva* ()T

04. Gar, *Lepiostidae* ()T

05. Piranhas, *Serrasalmus spp., Rosseveltiella spp., Pygocentrus spp.* ()T

06. Rudd, *Scardinius erythrophthalmus* ()T

07. Ide, *Leuciscus idus* ()T

08. Diploid Grass Carp, *Ctenopharyngoden idella* ()T

09. Bighead Carp, *Hypophthalmichthys nobilis* ()T

10. Silver Carp, *Hypophthalmichthys molitrix* ()T

11. Black Carp, *Mylopharyngodon piceus* ()T
12. Snakeheads, *Channa spp.*, *Parachanna spp.* ()T
13. Round Goby, *Neogobius melanostomus* ()T
14. Ruffe, *Gymnocephalus cernuus* ()T
802. INVASIVE SPECIES -- AMPHIBIANS.
01. Rough-skinned Newt, *Taricha granulose* ()T
02. Bullfrog, *Lithobates catesbeianus* ()T
803. INVASIVE SPECIES -- REPTILES.
01. Red-eared Slider, *Trachemys scripta elegans* ()T
02. Mediterranean Gecko, *Hemidactylus turcicus* ()T
03. Common Wall Lizard, *Podarcis muralis* ()T
04. Italian Wall Lizard, *Podarcis sicula* ()T
05. Brahminy blindsnake, *Ramphotyphlops braminus* ()T
804. INVASIVE SPECIES -- BIRDS.
01. Mute Swan, *Cygnus olor* ()T
02. Monk Parakeet, *Myiopsitta monachus* ()T
805. INVASIVE SPECIES -- MAMMALS
01. Nutria, *Myocastor coypus*. ()T
806. INVASIVE SPECIES – INSECTS
01. Asian Longhorned Beetle, *Anoplophora glabripennis* ()T
02. Citrus Longhorned Beetle, *Anoplophora chinensis* ()T
03. Emerald Ash Borer, *Agrilus planipennis* ()T
04. Marmorated Stink Bug, *Halyomorpha halys* ()T
05. European Woodwasp, *Sirex noctilio* ()T
06. European Gypsy Moth, *Lymantria dispar* ()T
07. Asian Gypsy Moth, *Lymantria dispar* ()T
08. Soybean Aphid, *Aphis glycines* ()T
09. Potato Tuber Moth, *Tecia solanivora* ()T

10. Japanese Beetle, *Popilla japonica* ()T
11. Mexican Bean Beetle, *Epilachna varivestis* ()T
12. Kaphra beetle, *Trogoderma granarium* ()T
13. Red Imported Fire Ant, *Solenopsis invicta* ()T
14. Glassy-winged Sharpshooter, *Homalodisca coagulate* ()T
15. Grape Phylloxera, *Daktulosphaira vitifoliae* ()T
16. Vine Mealybug, *Planococcus ficus* ()T
17. Summer Fruit Tortix, *Adoxophyes orana* ()T
18. Silver Y Moth, *Autoographa gamma* ()T
19. False Codling Moth, *Cyrtophlebia leucotreta* ()T
20. Light Brown Apple Moth, *Epiphyas postvittana* ()T
21. Apple Tortrix, *Archips fuscocupreanus* ()T
22. Pine Shoot Beetle, *Tomicus piniperda* ()T
23. Cherry Bark Tortrix, *Enarmonia formosana* ()T
24. Apple Ermine Moth, *Ypomoneuta malinellus* ()T
25. Cherry Ermine Moth, *Enarmonia formosana* ()T
26. European Grape Vine Moth, *Lobesia botrana* ()T
27. European Grape Berry Moth, *Eupoecilia ambiguella* ()T
28. Plum Fruit Moth, *Cydia funebrana* ()T
29. Plum Curculio, *Conotrachelus nenuphar* ()T
30. Leek Moth, *Acrolepiopsis assectella* ()T
31. Bee Mite, *Tropilaelaps cleareae* ()T
32. Small Hive Beetle, *Aethina tumida* ()T
33. Africanized Honey Bee, *Apis mellifera* ()T
34. Black Currant Gall Mite, *Cecidophyopsis ribis* ()T
35. Exotic Bark Beetles, (Scolytidae) ()T
 - a. *Scolytus mali* ()T
 - b. *Xylosandrus crassiusculus* ()T

- c. *Xylosandrus germanus* ()T
- d. *Xyleborus californicus* ()T
- 36. Sunni Bug, *Eurygaster intergriceps* ()T
- 37. German Yellowjacket, *Vespula germanica* ()T
- 38. European Paper Wasp, *Polistes dominulus* ()T
- 39. European Elm Bark Beetle, *Scolytus multistriatus* ()T
- 40. Banded Elm Bark Beetle, *Scolytus schevyrewi* ()T
- 41. Wheat Blossom Midge, *Sitodiplosis mosellana* ()T
- 42. Potato Tuberworm, *Phthorimeaea operculella* ()T

807. INVASIVE SPECIES – PLANT PATHOGENS AND PARASITIC NEMATODES

- 01. Sudden Oak Death (Ramorum blight), *Phytophthora ramorum* ()T
- 02. Karnal Bunt, *Tilletia indica* ()T
- 03. Bean Common Mosaic Virus, (strain US-6) ()T
- 04. Bean Common Mosaic Necrosis Virus (strain NL-3 and NL-5) ()T
- 05. Potato Wart, *Synchytrium endobioticum* ()T
- 06. Golden Nematode, *Globodera rostochiensis* ()T
- 07. Soybean Cyst Nematode, *Heterodera glycines* ()T
- 08. Bacterial Wilt of Alfalfa, *Clavibacter michiganensis* spp *insidiosus* ()T
- 09. Wheat Seed Gall Nematode, *Anguina tritici* ()T
- 10. Pine Wilt Nematode, *Bursaphelenchus xylophilus* ()T
- 11. Brown Rot of Potatoes, *Ralstonia solanacearum*, race 3, biovar 2 (alternate hosts include tomato, pepper, eggplant, and some greenhouse plants including geranium) ()T
- 12. Java Downy Mildew of Corn, *Peronosclerospora maydis* ()T
- 13. Philippine Downy Mildew of Corn, *Peronosclerospora philipeninsis* ()T
- 14. Asian Soybean Rust, *Phakopsora pachyrhizi* ()T
- 15. Plum Pox Potyvirus ()T
- 16. Cherry Leaf Roll Virus ()T
- 17. Stewart's Wilt of Corn, *Pantoea stewartii* ()T

18. Brown Stripe Downy Mildew of Corn, *Sclerophthora rayssiae* var. *zeae* ()T
19. Potato Spindle Tuber Viroid ()T
20. Pierce's Disease of Grapes, *Xylella fastidiosa* ()T
21. Black Currant Reversion Disease ()T
22. Powdery Mildew of Hops, *Sphaerotheca macularis* (s. *humuli*) ()T
23. Bacterial Brown Spot of Beans, *Pseudomonas syringae* pv *syringae* ()T
24. Wheat Smut, *Tilletia tritici* ()T
25. Wheat Scab, *Fusarium graminearum* ()T
26. Potato Ring Rot, *Corynebacterium sepedonicum* ()T
27. Potato Late Blight, *Phytophthora infestans* ()T
28. Onion White Tot, *Sclerotium cepivorum* ()T
29. Sugar Beet Rhizomania (beet necrotic yellow vein virus (BNYVV) and transmitted by the soil fungus *Polymyxa betae*) ()T
30. White Pine Blister Rust, *Cronartium ribicola* ()T
31. Cereal Cyst Nematode, *Heterodera avenae* ()T
32. Columbia Root Knot Nematode, *Meloidogyne chitwoodi* ()T
33. Onion Stem and Bulb Nematode, *Ditylenchus dipsaci* (onion race) ()T
34. Iris Yellow Spot Virus – IYSV of onions ()T
35. Potato Mop Top Virus, PMTV ()T
808. INVASIVE SPECIES – INVASIVE MOLLUSKS (TERRESTRIAL SNAILS AND SLUGS)
01. Green or Burrowing Snail, *Cantareus apertus* ()T
02. Pulmonate Snail, *Helix pomatia* ()T
03. White Garden Snail, *Theba pisana* ()T
04. Giant African Snail, *Achatha fulica* ()T
05. Lactea Snail, *Otala lacteal* ()T
06. Maritime Garden Snail, *Cerņuella virgata* ()T
07. Brown Garden Snail, *Cryptomphalus aspersa* ()T
08. Wrinkled Snail, *Candidula intersecta* ()T

- 09. Chinese Mysterysnail, *Bellamyia chinensis* ()T
- 10. Japanese Mysterysnail, *Bellamyia japonica* ()T
- 11. Applesnail, *Pomacea* spp. ()T
- 12. Marisa, *Marisa cornuarietis* ()T
- 13. Red-lipped Melania, *Melanoides tuberculata* ()T
- 14. Quilted Melania, *Tarebia granifera* ()T
- 15. Decollate Snail, *Rumina decollate* ()T

809. – 899. (RESERVED)

900. ADDITION, REMOVAL OR RECLASSIFICATION OF SPECIES.

The Director may add or remove species to the invasive species list, or reclassify their status as listed in this chapter by issuing a written order listing the invasive species and the reasons for adding them to or removing them from the invasive species list, or for reclassifying the invasive species. ()T

901. PENALTIES FOR VIOLATION

Any person who violates the provisions of this chapter shall be subject to the penalty provisions of Section 22-1913 and/or Section 22-2020, Idaho Code. ()T

902. MINOR VIOLATIONS

Nothing in this chapter shall be construed as requiring the Department to report minor violations when the Department believes that the public interest will be best served by suitable warnings or other administrative action. ()T
